Tivoli Honors Heroic Police Officer Mayor Cranna: "You made us all proud"

Tivoli... Village of Tivoli Mayor Bryan F. Cranna meets with Red Hook Police Officer Michael Plass after presenting the officer with a commendation from the Village of Tivoli at its June 15th board meeting.

Officer Plass received the commendation for his efforts in assisting a Tivoli resident that was in a distressful situation and ultimately jumped from the Kidd Lane Bridge outside the Village of Tivoli last week.

Police Officer Plass saw the individual jump from the bridge and immediately rushed to the stream bed below to assist the individual. The bridge was 40 feet high in the air and the individual was face down in rushing water.

"Your police instinct and keen sense of urgency prevented a bad situation from becoming worse. There's no doubt about it, you saved his life, and made us all proud", said Mayor Cranna.
