

This update is from the Tivoli Waterfront Committee.....

Since the last public meeting, the Tivoli Waterfront **Committee** has been meeting once a month to discuss issues such as funding, grant monies, design and sidewalk access to the riverfront from the village proper.

Most importantly, we have been visiting the concept of tunnel access across the tracks. We have had meetings with engineering firms to discuss this idea. We are considering having one of the firms do a low cost feasibility study of the physical and financial issues as well as the receptiveness of CSX to this idea. The Tivoli Waterfront Committee sees the absolute importance of completely examining this possibility before we move to a plan with a bridge.

Just a reminder...the Tivoli Waterfront Committee meets regularly, once a month, generally on the 2nd Tuesday at 4:30pm at the Village Hall. Meetings are open to the public and we welcome input and interest in the project.

Thank you.
